

# Summer School

Make France your school this summer!

## Immerse yourself in an international summer school experience

Join **emlyon** business school for a **2-week immersive academic and cultural experience** in Lyon and Paris, two of Europe's most dynamic cities.

Fully taught in English, the Summer School lets you earn **up to 12 ECTS credits** while exploring entrepreneurship, healthtech, AI, gastronomy, luxury and sustainability.

### SESSION 1

June 15-26, 2026

- Entrepreneurship & start-up culture: the French tech way
- AI, data & the future of business

### SESSION 2

June 29-July 10, 2026

- Healthtech & bio-innovation in Lyon's life sciences valley
- Business of gastronomy, wine & hospitality
- Luxury, fashion & sustainable business in France (*Paris*)

Each module lasts two weeks and includes 28 class hours, company visits, workshops, and group projects.

 *Learning alongside students from all over the world makes this a truly phenomenal experience.*
